

Unexpected Businesses on the Hook under SB 419

What if a user in Utah shares a LibsofTikTok video with friends in Montana on TruthSocial? TruthSocial can now be fined for no wrongdoing of their own.

What if an Idaho media outlet shares a story with an embedded TikTok video and it gets shared in Montana? Is a Montana media company now supposed to hide that story to avoid being fined \$10,000?

What if Joe Rogan talks about a TikTok video on his podcast and urges listeners in Montana to watch the video? Is his company now going to be fined \$10,000 for “aiding, abetting, facilitating...” TikTok?

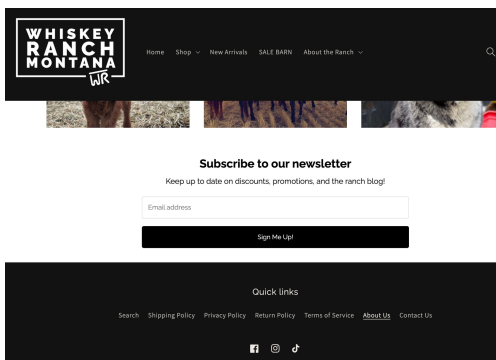

What if a Montana business links to their TikTok account they use to get out-of-state customers? Are they going to be fined \$10,000 for “aiding” TikTok?
